NET PARQUET

code SO9060

TECHNICAL DATA (*referring to a room temperature of +73,4°F and to a 65% of relative humidity*)

Appearance	colourless liquid
Viscosity	11 " F4
Specific weight	0,78
V.O.C. (calculated)	100 %

DESCRIPTION

Highly concentrated cleaner on solvent base, ready to use, for sealed and pre-finished parquet. Allows to remove stains of various kinds and in particular glue stains (especially polyurethane and epoxy glue) without leaving any traces or marks.

PACKAGING

1-gallon plastic cans.

DIRECTIONS FOR USE

Pour a little NET PARQUET on a soft cloth and rub the area you have to clean. If some stain prove obstinate, let the cloth imbued with the cleaner stay on the spot for about 10 minutes, then remove the stain by rubbing the area again.

ADVICE

The product is not suitable for unsealed parquet. It is not soluble in water.

For professional use!

If the original unopened container is stored in a cool, dry place away from direct sun light, the product will keep for at least 12 months.
